Dear _____:

Dental treatment is an excellent investment in the overall dental, medical and physiological well being of children and adults. We believe financial considerations should not be an obstacle to obtaining this important health service. We are providing the following payment options. Please note, treatment plans can change and fees quoted are estimations only.

PAYMENT OPTIONS

Option A: Payment In Full (Due At Time Of Service)

We accept MasterCard or Visa. A cash discount of 5% is given for payment in full at start of treatment by cash or check.

Option B: Down Payment Plan

1/3rd of estimated treatment cost is due at your first appointment. The balance must be paid within 90 days.

Option C: No Interest And Extended Payment Plans Through Care Credit

Contact Care Credit directly to apply. They can be reached at 1-800-365-8295 or at www.carecredit.com.
